IT WILL CHANGE ITS TARIFF RATES
FOR ELECTRIC SERVICE
- (2) APPLICATION FOR AN ORDER CHANGING

CASE NO. 8252

O R D E R

On July 30, 1981, Green River Electric Corporation ("Green River"), by counsel, filed its Motion requesting that it not be required to publish the rate schedule along with the publication of notice of the hearing. In support of the Motion, Green River states that on June 5, 1981, it mailed notice of the proposed rate increase to each of its consumers and that mailing contained the proposed rates. Green River further states that republication would involve additional expense.

The Commission, having considered the Motion and being advised, finds that publication pursuant to the Commission's Order entered July 20, 1981, is not unduly burdensome and no compelling reason has been advanced to support a deviation from the regulations of the Commission with respect to notice.

IT IS THEREFORE ORDERED That the Motion of Green River Electric Corporation be and it hereby is overruled.

Done at Frankfort, Kentucky, this 3rd day of August 1981.
